Nestled on the West End Cliffs of Negril, you will find The SPA Retreat Boutique Hotel. A leading destination for the discerning traveller, offering 18 Handcrafted Stone Cottages with spectacular tropical gardens, it is the definition of island paradise.

It is a place for singles who want to escape it all, and lovers looking for a quiet, intimate getaway. Here, the doting SPA team focus on setting the scene for your "home away from home".

Slip into an effortless state of relaxation as time stands still on our expansive beach deck. Take a dip in our fresh sea water pool while enjoying personalized bar service or find reprieve under shaded cabanas for an afternoon siesta. The unique property extends from white sandy beach into exotic grey cliffs both overlooking the vibrant turquoise hues of the Caribbean Sea with direct ladder access to ocean swimming & snorkeling.

The Blue Mahoe Restaurant at The SPA Retreat Boutique Hotel & Spa will surprise you again and again with exciting presentations and attention to detail. Enjoy rich and unique island flavors while you drink in the stunning views of the Caribbean Sea. Whether your desire is traditional Jamaican or international cuisine, our chefs will cater to your every wish, using the freshest and finest ingredients to create a "farm to table experience." Our chefs are eager to cater to your needs.

We wish to connect you with an oasis of total well-being and the ritual of renewed relaxation. All services are customized to meet your needs in our open air spa pavilion, in room or cliff side. We are pleased to provide you, our valued guest, with SPA sanitization standards that are Canadian approved for your complete safety. In an environment of higher standards, premium services, and the finest quality of products prepare for a rejuvenating experience for the body, mind and soul.
